

## **Independent Auditor's Report**

**To the Members of  
Jaypee Cement Hockey (India) Limited**

### **Opinion**

We have audited the accompanying financial statements of **Jaypee Cement Hockey (India) Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss, Statement of changes in equity and Statement of cash flows for the year ended 31st March 2023, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its Loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Emphasis of Matters**

We draw the attention to the following matters in the notes to the financial statements:

1. Note No.17 in the financial statements which indicate that the company has accumulated losses which are more than its Net worth i.e the net worth has been fully eroded, the company has incurred cash loss during the current year and previous year(s). These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern basis for the reasons stated in the said Note.

Further, it is indicated that the auditor report is not a qualified report in respect of above matter emphasized.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, Statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations as at the year end.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There are no amounts that were due for being transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have

been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The company has not declared or paid any dividend during the year.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

2. As required by the Companies (Auditor’s Report) Order, 2020 (the “Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Jaypee Cement Hockey (India) Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**ANNEXURE B referred to in paragraph 2 of our report of even date to the members of Jaypee Cement Hockey (India) Limited on the accounts of the Company for the year ended 31st March 2023.**

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- (i) (a) (A) The Company does not have any Property, Plant and Equipment; therefore, the Clause 3(i)(a) (A) is not applicable.  
  
(B) The Company does not have any Intangible assets; therefore, the Clause 3(i)(a) (B) is not applicable.  
  
(b) The Company does not have any Property, Plant and Equipment; therefore, the Clause 3(i)(b) is not applicable.  
  
(c) The Company does not have any Property, Plant and Equipment; therefore, the Clause 3(i)(c) is not applicable.  
  
(d) The Company does not have any Property, Plant and Equipment; therefore, the Clause 3(i)(d) is not applicable.  
  
(e) As informed, the Company, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, therefore the Clause 3(i)(e) is not applicable.
- (ii) As the Company has no inventory, Clause 3(ii) of the Order is not applicable.
- (iii) As informed, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, the company has not given any loans, made investments, given guarantees, and security, hence Clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits from the public. Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) In our opinion Clause (vi) of Para 3 of the Order relating to cost accounting records is not applicable during the period under report.
- (vii) (a) As per records produced before us and according to the information and explanations given to us the Company is generally regular in depositing undisputed statutory dues applicable to it like, Income-tax etc, and other material statutory dues applicable to it with the appropriate authorities, and there were no arrears of such dues at the end of the year which have remained outstanding for a period of more than six months from the date they became payable.

(b) As per records produced before us there are no dues of Income-tax, Sales-tax, Wealth tax, Service tax, Customs Duty, GST, Excise Duty and cess which have not been deposited on account of any dispute.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) During the year the company has defaulted in repayment of Principal and interest to Banks and Financial institution.

Nature of borrowing, including debt securities	Name of lender*	Amount not paid on due date (Amount in Lakhs)	Whether principal or interest	No. of days delay or unpaid	Remark, if any
Term loan	Srei Equipment Finance Limited	483.78	Principal	878	-
Term loan	Srei Equipment Finance Limited	239.74	Interest	1061	-

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year. However, there are outstanding term loans at the beginning of the year

(d) On an overall examination of the financial statements of the Company, The Company has not raised any funds on short-term basis during the year, hence reporting not applicable.

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given

by the management, we report that no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the course of our audit.

- (xii) In our opinion, the Company is not a nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) Based on information and explanations given to us by the management, all transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and the details have been disclosed in the financial Statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, there is an adequate internal audit system commensurate with the size of the Company and the nature of its business and the same have been considered by us during the statutory audit.  
(b) clause 3(xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, the company has not entered into any non-cash transaction with directors or person connected with him which is covered by Section 192 of the Act. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the Company.
- (xvi) In our opinion and according to the information and explanations given to us, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 Accordingly, the provisions of clause 3(xvi) of the Order are not applicable to the Company.
- (xvii) The company has incurred cash loss of Rs. 104,44,815/-/- during the current year as well as Rs 7317919/- in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) CSR is not applicable to the company, Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the Company.

**Note No. "1" Corporate Information**

The Company was incorporated on 5th November, 2012 to undertake the business of Hockey Sport. It obtained the certificate of commencement of business on 12th November, 2012

**Note No. "2" Significant Accounting Policies**

**a. Basis of Preparation of financial statements**

The financial statements have been prepared in accordance with the Indian accounting standard (Ind AS), notified under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. The Company has adopted all the applicable Ind AS. The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. The Company has decided to round off the figures to the nearest hundreds.

**b. Revenue Recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

**Rendering of services**

Revenue from rendering of services is recognised by reference to the stage of completion. When the contract outcome cannot be measured reliably, revenue is recognised only to the extent that the expenses incurred are eligible to be recovered.

**Interest Income**

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in Other income in the statement of profit and loss.

**Dividend**

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

**Insurance Claim**

Claims lodged with the insurance companies are accounted for on accrual basis to the extent these are measurable and ultimate collection is reasonably certain.

**c. Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying asset, that necessarily takes a substantial period of time to get ready for its intended use or sale, are capitalised as part of the cost of the asset. The borrowing cost cease to be capitalised when the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are expensed in the period in which they occur

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes finance charges in respect of finance lease and exchange differences arising from foreign currency borrowing to the extent regarded as an adjustment to the interest costs.

#### **d. Employee benefits**

The undiscounted amount of short-term employee benefits i.e. wages and salaries, bonus, incentive, annual leave and sick leave etc. expected to be paid in exchange for the service rendered by employees are recognized as an expense except in so far as employment costs may be included within the cost of an asset during the period when the employee renders the services.

Retirement benefit in the form of provident fund and pension contribution is a defined contribution scheme. and is recognized as an expense except in so far as employment costs may be included within the cost of an asset

Gratuity and leave encashment is a defined benefit obligation. The liability is provided for on the basis of actuarial valuation made at the end of each financial year. The actuarial valuation is done as per Projected Unit Credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to profit or loss through Other Comprehensive Income (OCI) in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

#### **e. Provisions**

##### **General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. When the Company expects some or all of a provision to be reimbursed (like under an insurance contract, indemnity clauses or suppliers' warranties) and the Company is solely liable to pay the liability, the reimbursement is recognised as a separate asset. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement if the Company is not solely liable to pay the liability. The reimbursement of provision is only recognized when it is virtually certain that the company will receive the reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

##### **Contingent liability is disclosed in the case of**

- i. a present obligation arising from past events, when no reliable estimate is possible;
- ii. a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

##### **Contingent assets**

Contingent assets are disclosed in the financial statements only when the inflow of economic benefits is probable.

Contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

#### **f. Taxes on Income**

Tax expense represents the sum of the current income tax and deferred tax.

### **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be received from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **Deferred tax**

Deferred tax is recognised using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity respectively.

### **Minimum Alternate Tax**

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

### **g. Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### **h. Earnings per share**

Basic earnings per equity share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

## **i. Leases**

### **Finance lease**

Leases of property, plant and equipment are classified as finance leases where the lessor has substantially transferred all the risks and rewards of ownership to the Company.

### **Operating lease**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Indian Accounting Standard (Ind AS) 116, Leases, was notified as part of the Companies (Indian Accounting Standards) (Amendment) Rules, 2019, issued by the Ministry of Corporate Affairs, Government of India, vide notification dated March 30, 2019. These Rules came into force w.e.f. April 1, 2019. Accordingly, Ind AS 116, comes into effect in respect of annual reporting periods beginning on or after 1st April, 2019. The same is not applicable to the company.

## **j. Fair value measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations. External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### **k. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instruments

#### **Financial assets**

##### **Initial recognition and measurement**

Financial instruments are initially measured at fair value including transaction costs unless they are classified at fair value through profit and loss, in which case the transaction costs are expensed immediately. Subsequent to initial recognition, these instruments are measured in accordance with their classification as set out below.

##### ***Subsequent measurement***

Financial assets are classified in four categories:

i. Amortised cost, if the financial asset is held within a business model whose object is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding,

ii. Fair value through other comprehensive income (FVOCI), if the financial asset is held within a business mode whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payment of principal and interest on the principal amount outstanding. Any interest income, impairment losses & reversals and foreign exchange gain or loss is recognised in Profit or loss,

iii. Fair value through other comprehensive income, if the financial assets is investment in an equity instrument within the scope of this standard, that is neither held for trading nor contingent consideration recognised by company in a business combination, for which the company make an irrevocable election to present subsequent changes in fair value in other comprehensive income. Any dividend is recognised in profit or loss, or

iv. Fair value through profit or loss (FVTPL)

## De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised i.e. removed from the company's statement of financial position when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

On derecognising of a financial asset in its entirety, the difference between the assets's carrying amount and the sum of the consideration received or receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

## Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- i. Financial assets that are debt instruments, and are measured at amortised cost, e.g., loans, debt securities, deposits, trade receivables and bank balance
- ii. Financial assets that are debt instruments and are measured as at Fair Value Through Other Comprehensive Income (FVTOCI)
- iii. Lease receivables under Ind AS 17
- iv. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18
- v. Loan commitments which are not measured as at FVTPL
- vi. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses (ECLs) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL impairment loss allowance (or reversal) recognized during the period as income/ expense in the statement of profit and loss.

The balance sheet presentation for various financial instruments is described below:

*Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.*

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

## **Financial liabilities**

### **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and in case of loan & borrowings and payable, net off directly attributable transaction cost.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

### **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

### **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(Rs.in Hundreds)

Particulars	Referred in (a) above	Referred in (b) above	Total
Due to Related Parties	2,692,897	3,268	2,696,165
	(2,681,790)	(2,218)	* (2,684,008)

\* Previous year's figures are given in bracket.

**Financial Instruments and Risk Management**

Note No. "20"

**FAIR VALUE MEASUREMENT**

**Fair value hierarchy**

The fair value hierarchy of assets and liabilities measured at fair value as on 31st March 2023: **Not Applicable**

Note No. "21"

**FINANCIAL RISK MANAGEMENT**

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**(A) Credit Risk**

There are no trade receivable as on 31.03.2023, hence not applicable.

**Credit risk exposure**

Credit risk on cash and cash equivalents and bank balances is limited as the Company generally invest in deposits with bank.

**(B) Liquidity Risk**

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

**Maturity of financial liabilities**

The detail of contractual maturities of significant financial liabilities as on 31st March 2023 are as follows:

Particulars	(Rs.in Hundreds)		
	Less Than One Year	More than One Years	Total
Borrowings	483,785	61,215	545,000
<b>Total financial liabilities</b>	<b>483,785</b>	<b>61,215</b>	<b>545,000</b>
Previous Year	363,892	181,108	545,000

**(C) Market Risk**

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

**(i) Foreign Currency Risk**

There is no Foreign Currency Loan as on 31.03.2023, hence not applicable.

**(ii) Interest Rate Risk**

The Company's main interest rate risk arises from long term borrowings with variable rates, which expose the Company to cash flow interest rate risk. The Company's fixed rate borrowings are carried to amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rate.

**(iii) Price Risk**

The price risk for the company is risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

**Price Risk Management**

There is no investment as on 31.03.2023, hence not applicable.

**Note No. "22"****CAPITAL MANAGEMENT**

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The objective of the company's capital management is to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits to other stakeholders and maintain an optimal capital structure to reduce the cost of capital. The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The company monitors capital structure using gearing ratio, which is net debt divided by total equity plus net debt. The company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.
